2. Any announcement made the day of sale will have precedence over any printed material.
3. Prior owners have been given preference in re-purchasing their land, so all advertised parcels may not be sold on the date of sale
4. Buyers are encouraged to investigate the condition of property and should check with the municipality for allowed use of the property, as well as any special assessments or special charges, including delinquent utilities, due on the property prior to the date of sale.
5. All properties will be sold subject to all easements, zoning ordinances or Government regulations.

All measurements, sizes, or amounts stated are approximate.
7. Wisconsin State Statues (§75.69) requires a minimum bid be placed on each parcel and that no parcel may be sold for less than the minimum amount. The minimum acceptable bid on each parcel will be placed by the Lafayette County Finance Committee. If no bid at or over the minimum amount is received, the Finance Committee may set a lower minimum and resell the property at a later date. Until such time that a new minimum bid amount is set, the property may be sold to the first person agreeing to pay the previous minimum bid amount. The right to accept or reject any or all bids is reserved.
8. Minimum bid price does include a portion of the back taxes. However, the buyer will not be responsible to cover the remainder of the back taxes if the sale amount does not cover it all.
9. Along with the minimum acceptable bid on each parcel, there is also a required down payment of 10%. The successful bidder will be required to sign an 'Offer to Purchase' and make the required 10% down payment on the date of sale in the form of cash, cashier's check, or money order. Down payments are to be made payable to the Lafayette County Treasurer. In the event that the purchaser is unable to complete the transaction, this down payment will be forfeited to Lafayette County.
10. The closing on the property will take place within (30) thirty days and occupancy of the property may occur at that time. The remaining balance of the bid is due at this time, in the form of cash, cashier's check, or money order. Transfer will take place by Quit-Claim Deed, and the County will record the Quit Claim Deed and Title Transfer form with the Register of Deeds Office.

11. The buyer will be responsible for all of the current year taxes on the property purchased. The buyer will also be responsible for all Special Charges, Special Assessments, and Delinquent Utilities on the property. CURRENT YEAR TAXES WILL NOT BE PRO-RATED.
12. Purchaser is responsible for obtaining their own Title Insurance, if desired
13. The County will notify all occupants, of which it is aware, of property that was foreclosed upon that they are to vacate the property and to remove all of their personal property before the sale date. This property is being sold by Quit Claim Deed. If you purchase property at this sale, you are responsible for the property and any occupants that may still occupy that property.

 - a) All bids are subject to final acceptance by the Lafayette County Finance Committee.
 - b) Lafayette County reserves the right to accept any bid most advantageous to the County pursuant to Wisconsin Statutes s. 75.69(1). Some but not all of the considerations in determining the bid most advantageous to the county consist of the following: dollar amount of respective bids; proposed use of property; whether the land will be subject to real estate taxes; buildability under present zoning code; access or lack of access to the property; dimensions of the parcel and possible use; type of development; costs of providing services and road access as well as potential revenue and real estate taxes under proposed use, etc. Lafayette County will consider multiple bids on the basis of individual parcels rather than the total amount bid for two or more parcels. Therefore, if bidder is offering to purchase several parcels bidder must indicate the price for each parcel and also state whether the bid is limited to acceptance of the entire bid (all parcels bid upon) or whether bidder will accept any one of the parcels bid on if successfully bid.
 - c) If two or more identical bids are received for the same parcel, the County Board will determine which bid is more advantageous to the county under the criteria set forth and if each bid is equally advantageous the bid which was received first in the County Treasurer's Office shall take precedent and may be accepted.
 - d) Unsuccessful bidders will have their money returned to them within forty-five (45) days of the public opening. Successful bidders will have that money applied towards the total purchase price.
